Dear Dinsmor & Ridgeland Neighbor:

Gene McGee is seeking re-election as Mayor of the City of Ridgeland. We are writing to endorse his candidacy. During his tenure as Mayor, we have worked with Gene on several projects and have found him to be accessible, fair and open-minded in his approach to resolving important issues that affect us all.

Gene has been a friend and ally for the residents of Dinsmor, personally supporting and introducing major improvements within our subdivision. Whenever we have called, Gene has answered. He understands the importance of maintaining property values in residential areas such as Dinsmor within the City of Ridgeland.

Because of his 24 years of experience, Gene has a broad understanding of the issues that Ridgeland must deal with. He stands committed to making decisions that are in the best interest of our city and its residents.

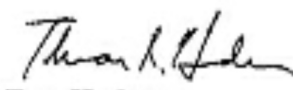

On a personal level, we have come to know Gene to be active in his church and devoted to his family with high moral values. We respect him as a neighbor and a friend.

Let us encourage one another to be sure to vote in the primary election on May 5 and re-elect Gene McGee, as Mayor of Ridgeland. He has done an outstanding job in support of our community.

Warmest Best Wishes and Highest Regards,
